PRINCIPAL QUESTIONNAIRE FORM

All questions on these questionnaires must be answered and the answers typewritten or printed in ink. If you need more space to answer any question, make as many photocopies of the appropriate page(s) as necessary and attach them to the questionnaire.

A. Errors, Omissions and Changes:

If during the performance of the contract issued pursuant to this RFP, either of the following occurs, the selected proposer shall promptly give notice in writing of the situation to the County, and therefore cooperate with the County's review and investigation of such information.

- i) Selected proposer has reason to believe that any representation or answer to any question contained in this Questionnaire was not accurate or complete at the time this Questionnaire was signed; or
- ii) Events occur or circumstances change so that an answer to any question in Appendix H is no longer accurate or complete.

In the County's sole discretion, the following shall constitute grounds for the County to take remedial action up to and including immediate termination of the contract issued pursuant to this RFP for convenience without payment for profit and overhead for work not performed if:
i) Proposer fails to notify the County as required by this provision: ii) Proposer fails to cooperate with the County's request for additional information as required by this article.

B. Inquiries:

The County reserves the right to inquire further with respect to Proposer's responses; and Proposer consents to such further inquiry and agrees to furnish all relevant documents and information as requested by the County. Any response to this document prior or subsequent to Proposer's Proposal which is or may be construed as unfavorable to Proposer will not necessarily automatically result in a negative finding on the question of Proposer's responsibility or a decision to terminate the contract issued pursuant to this RFP if it is awarded to Proposer.
